Kindergarten --5th grade

Room 207

Spiritual formation happens when church communities communicate both their shared story and God's story through symbols, art, music, ritual, or written and verbal narratives. God chose to communicate with us through story. The Bible is a book full of stories that point to the character of God and God's plan for creation. This is what we hope to communicate and the children learn as they find their own stories in the midst of God's story through Jesus Christ.

Drive Through Bible History

Room 212

Dr. Joe Alexanian

Drive through Bible History is a rapid drive through Bible history from the creation of the universe to the second coming of Christ and the end of time. The title of our study, "Drive Through Bible History", is borrowed from the popular and entertaining Drive Through History featuring Dave Stott. Our class is open to all ages and all stages of Bible knowledge. Last year we "drove" from the creation of the universe, through the Exodus, to the Israelites' settling in the land of Canaan. This year we will begin with the period of the Judges, when Israel was ruled by charismatic leaders called "judges." We look forward to provocative questions and stimulating discussions. We'll be looking for YOU! If you have questions, just call.

The Gospel of John

Fireside Room

Carolyn Adams and Roy Spaulding

We will be using "The Story Tellers Companion to the Bible" and look at the stories John told and how they can relate to our lives and "stories" today.

Bible Studies

Thursday Morning Bible Study

Fireside Room

Roy Schmidt

9:30 am

We would love to have you in class this fall. There will be coffee and tasty refreshments, enthusiastic singing of old hymns and new songs, a time to share and pray, and studying scripture. We will be studying the second half of Paul's letter to the church in Rome. To make learning more fun we even try using some modern technology as well as having discussion times. This Bible study is like none other. You will be surprised by how friendly and supportive our members are. So why not give it a try and get a lift for the week.
